

Announcement of participating of INTERPHEX JAPAN 2017

 **mitsubishi GAS CHEMICAL COMPANY, INC.**

June 13, 2017

Mitsubishi Gas Chemical Company, Inc. (MGC; Head Office: Chiyoda-ku, Tokyo; President: Toshikiyo Kurai) is pleased to announce that we will be exhibiting at INTERPHEX JAPAN 2017 on June 28 to 30.

This year, our product oxygen absorber “AGELESS[®]”, which MGC developed as the world’s first free-oxygen absorbing agent celebrates 40th Anniversary. At this exhibition, we will proudly be exhibiting the AGELESS[®]’s 40-Year-History including the development background and our future visions.

Furthermore, we will also introduce our greatest strength such as high quality control standards and Customer-Friendly and Professional supports to contribute to pharmaceutical companies’ development. Also, you can learn the reason why we are still the No.1 in this industry.

If you’d like to learn more about our products, please visit our booth.
