MGC Group Makes Donation for Victims of the Major Earthquake that Struck Eastern Japan

The entire staff of Mitsubishi Gas Chemical Company, Inc. (MGC) expresses its deepest sympathy for the victims of the recent major earthquake that struck off the coast of Eastern Japan.

The MGC Group has decided to donate 50 million yen to assist earthquake victims and restore the areas that were hit by this major disaster.

In addition, the Group has provided daily necessities for people in the devastated areas.

Our best wishes for the rapid restoration of the afflicted cities and villages.
