

Announcement of participating in 17th ELECTRONIC COMPONENTS & MATERIALS EXPO

～Presenting oxygen and moisture absorber for electronic components～

 **MITSUBISHI GAS CHEMICAL COMPANY, INC.**

January 12, 2016

Mitsubishi Gas Chemical Company, Inc. (MGC; Head Office: Chiyoda-ku, Tokyo; President: Toshikiyo Kurai) is pleased to announce that we will participate in 17th ELECTRONIC COMPONENTS & MATERIALS EXPO.

We will proudly exhibit “RP system”, oxygen and moisture absorber for preservation of electronic components. RP system can maintain the solderability and prevent moisture absorption of electronic materials.

Also, we will introduce our new products such as oxygen and moisture absorbing film,

If you'd like to learn more about our products, please visit our booth.
