

## Announcement of participating Interphex 2016 in New York City

~Introduction of new active packaging technologies for pharmaceutical products~

 **MITSUBISHI GAS CHEMICAL COMPANY, INC.**

April 21, 2016

Mitsubishi Gas Chemical Company, Inc. (MGC; Head Office: Chiyoda-ku, Tokyo; President: Toshikiyo Kurai) is pleased to announce that we will be exhibiting at Interphex 2016 in New York City, USA.

We will proudly be exhibiting sachet and canister types of our oxygen absorbers AGELESS® and Pharmakeep®, as well as our new active packaging technologies which enable pharmaceutical products to maintain quality and prolong shelf life.

If you'd like to learn more about any of our other oxygen absorbing products, please visit booth No. 1539.

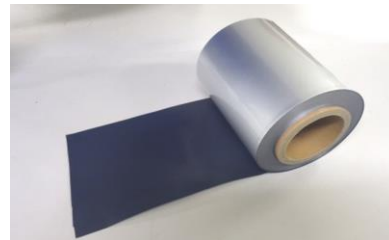

### ■Mainly displayed products
