

Announcement of participating in INTERPHEX OSAKA 2017

~Oxygen absorbing packaging technology for stabilizing medicinal ingredients~

 MITSUBISHI GAS CHEMICAL COMPANY, INC.

February 9, 2017

Mitsubishi Gas Chemical Company, Inc. (MGC; Head Office: Chiyoda-ku, Tokyo; President: Toshikiyo Kurai) is pleased to announce that we will be exhibiting at INTERPHEX OSAKA 2017 in Japan.

We will proudly be exhibiting all of our pharmaceutical use oxygen absorbers including the AGELESS® “ZM type” and oxygen absorbing film “AGELESS®OMAC.” These products can extend the shelf-life of pharmaceutical products that are sensitive against oxygen. We will also present our oxygen absorbing packaging technology for stabilizing medicinal ingredients.

If you'd like to learn more about our products, please visit our booth.

■Mainly displayed Products
