

## Announcement of participating in exhibitions in Europe and the USA ~Introduction of multilayer plastic containers for injectable drugs~

 MITSUBISHI GAS CHEMICAL COMPANY, INC.

October 7, 2015

Mitsubishi Gas Chemical Company, Inc. (MGC; Head Office: Chiyoda-ku, Tokyo; President: Toshikiyo Kurai) is pleased to announce that we are going to participate in the following exhibitions in Europe and the USA.

We introduce newly developed multilayer-plastic containers for injectable drugs there. In addition to displaying products at the booth, we are going to make presentations or poster presentations at the conferences.

These products have glass-like oxygen barrier and high moisture barrier and are expected to be used as glass-alternative plastic containers for rapidly growing bio drugs.
