- 5. In the event the election of Ms. Mayako Perez Takahashi is approved, MGC will also register her as an independent auditor at Tokyo Stock Exchange, Inc.
- 6. MGC has entered into a directors and officers liability insurance agreement with an insurance company pursuant to Article 430-3, Paragraph 1 of the Companies Act. The content of the insurance agreement is as stated on "3. Information Concerning Corporate Officers" in the Business Report of Electronic Provision Measures Matters. Each candidate for Audit & Supervisory Board Member is to be included as an insured party under the insurance agreement in the event their election is approved. Furthermore, MGC plans to leave the content of the insurance policy unchanged upon its next renewal.

#### (Reference) MGC Standards on Independence for Outside Corporate Officers

A candidate is deemed to qualify as an independent officer as long as none of the following matters apply.

- 1. If any of the following applies to the candidate.
  - 1) Has been a business execution manager (\*1) of the MGC Group (\*2).
  - 2) Is a major shareholder of MGC (\*3) or is or has been a business execution manager for a major shareholder company within the previous five years.
  - 3) Is or has been a business execution manager within the previous five years of an important business partner (\*4).
  - 4) Has been dispatched from a company or organization that has established a relationship with the MGC Group through the reciprocal appointment of outside officers.
  - 5) Works for or has worked for an accounting firm within the previous five years that has conducted a statutory audit of MGC.
  - 6) Provides or has provided consulting services other than statutory auditing to the MGC Group within the previous three years, for which he or she has received high compensation (\*5).
- 2. If any of the following applies to a close relation (\*6) of the candidate.
  - 1) Is or has been an important business execution manager (\*7) of the MGC Group within the previous five years.
  - 2) Is a major shareholder of MGC or a business execution manager for a major shareholder company.
  - 3) Is or has been a business execution manager within the previous five years of an important business partner.
  - 4) Works for or has worked for an accounting firm within the previous five years that has conducted a statutory audit of MGC.
  - 5) Provides or has provided consulting services other than statutory auditing to the MGC Group within the previous three years, for which he or she has received high compensation.
- 3. The candidate has another important vested interest in the MGC Group and has been reasonably deemed to be unable to fulfill his or her duties as an independent officer.
- (\*1) Business execution manager: Either a Director overseeing business execution, an Executive Officer, other officer involved in business execution, or an employee.
- (\*2) MGC Group: MGC or one of its subsidiaries.
- (\*3) Major shareholder of MGC: A shareholder currently holding, either directly or indirectly, 10% or more of total shares issued and outstanding.
- (\*4) Important business partner: A business partner that has made transactions, including buying and selling, amounting to 2% or more of consolidated net sales over the previous three consecutive years. Consolidated net sales pertains to the MGC Group in the event the MGC Group is the seller, or to the partner in the event the MGC Group is the buyer.
- (\*5) High compensation: In the case of an individual, an annual amount of 10 million yen or more, or in the case of a member of company or organization, compensation exceeding 2% of its consolidated net sales or total revenue.
- (\*6) Close relation: Either a spouse, first- or second-degree relative, or financial dependent.
- (\*7) Important business execution manager: Either a Director overseeing business execution, an Executive Officer, or other officer involved in business execution.

#### **BUSINESS REPORT**

(From April 1, 2024 to March 31, 2025)

## 1. Review of Results

#### (1) Overview of Results

(Billions of yen)

	FY2023	FY2024	Change
Net sales	813.4	773.5	(39.8)
Operating profit	47.3	50.8	3.5
Equity in earnings of affiliates	(5.6)	10.9	16.6
Ordinary profit	46.0	60.3	14.2
Profit attributable to owners of parent	38.8	45.5	6.7

In the fiscal year ended March 31, 2025, the global economy benefited from a gradual recovery trend on the back of a slight moderation in inflationary pressure. On the other hand, financial and capital market conditions, such as foreign exchange rates, remained highly volatile due to the impact of such factors as changes in U.S. government policies following the presidential election and shifts in monetary policies undertaken in the United States and major European countries. Meanwhile, the Chinese economy remained stagnant, while prolonged conflicts in the Middle East as well as the ongoing Russia-Ukraine War continued to fuel geopolitical risks. Furthermore, due to the impact of tariff measures invoked by the United States, the global economy became increasingly exposed to policy risks. Together, these factors gave rise to persistent concerns about the further decoupling of economies and supply chains worldwide.

Against this backdrop, the gradual economic recovery around the globe helped drive a year-on-year recovery trend in overall product demand for the Mitsubishi Gas Chemical (MGC) Group. However, the business environment surrounding the Group remained quite uncertain due to such negative factors as a delayed pace of recovery in semiconductor market demand—except in the area of advanced materials—and the prolongation of China's economic stagnation.

Over the course of the fiscal year ended March 31, 2025, the MGC Group has pursued the new target of "Strengthening the resiliency of our business portfolio" under a medium-term management plan launched at the beginning of said fiscal year. Specifically, the Group has been pushing ahead with various measures with such themes as "Focusing on Uniqueness & Presence," "Building new value through innovation," and "Restructuring businesses requiring intensive management." In this way, we have been thoroughly implementing business portfolio reforms that are directly aimed at improving capital efficiency.

Due mainly to the December 2023 transition of JSP Corporation from consolidated subsidiary to equity-method affiliate, the Group's net sales decreased despite the depreciation of the yen, higher methanol market prices, growth in sales volumes of such products as optical materials for smartphone use, and other positive factors.

On the other hand, operating profit increased despite such negative factors as the aforementioned transition of JSP Corporation to equity-method affiliate. This increase was mainly attributable to year-on-year growth in earnings from such engineering plastics as polycarbonate and polyacetal, optical materials, and the methanol business. Other factors contributing to higher operating profit included the depreciation of the yen.

Furthermore, ordinary profit rose due to the increase in operating profit and improvement in equity in earnings of affiliates. The latter was mainly attributable to the absence of impairment losses recorded at overseas methanol producing companies in the Republic of Trinidad and Tobago in the previous fiscal year, and higher methanol market prices.

Moreover, profit attributable to owners of parent increased despite being negatively affected by

the absence of gain on step acquisitions recorded in the previous fiscal year in connection with the inclusion of Mitsubishi Engineering-Plastics Corporation into the scope of consolidation. This increase was mainly due to higher ordinary profit and a temporary improvement in income tax—deferred, the latter of which resulted from changes in the Group's classification of deferred tax assets in terms of recoverability.

Taking the above factors into account, in fiscal 2024, the MGC Group achieved ¥773.5 billion in consolidated net sales, a decrease of ¥39.8 billion (4.9%) from the previous year. Consolidated operating profit was ¥50.8 billion, an increase of ¥3.5 billion (7.4%). As a result of recording equity in earnings of affiliates of ¥10.9 billion, an increase of ¥16.6 billion, consolidated ordinary profit was ¥60.3 billion, an increase of ¥14.2 billion (31.0%). The MGC Group achieved a profit attributable to owners of parent of ¥45.5 billion, an increase of ¥6.7 billion (17.3%).

Operating results by segment are as described below.

## (2) Results by Business Segment

#### **Green Energy & Chemicals**

	Methanol, Methanol/Ammonia Based Chemicals, Energy Resources				
Main businesses	and Environment Business, Meta-xylenediamine and Aromatic				
wani businesses	Aldehydes, Xylene separators and derivatives, Life Science Related				
	Products				

The methanol business saw increases in both net sales and earnings due primarily to the absence of impairment losses recorded at overseas methanol producing companies in the Republic of Trinidad and Tobago in the previous fiscal year, in addition to year-on-year rises in methanol market prices.

Methanol and ammonia-based chemicals posted a decrease in earnings despite the recovery trend in the sales volume of MMA products, due to higher repair costs and other negative factors.

The energy resources and environmental business saw increases in net sales and earnings due primarily to the higher sales volume of LNG for power generation use, along with growth in the sales volume of iodine and rising market prices for this offering.

Meta-xylenediamine and aromatic aldehydes recorded a decrease in earnings, reflecting such factors as the lower sales volume of derivatives for China-bound exports and higher fixed costs, despite a recovery trend in demand for products targeting European and U.S. customers.

Xylene separators and derivatives posted increases in both net sales and earnings, despite stagnant market prices for purified isophthalic acid, thanks to the depreciation of the yen and other positive factors.

In fiscal 2024, Green Energy & Chemicals Business achieved consolidated net sales of \(\frac{\pmathbf{4}}{323.1}\) billion, a decrease of \(\frac{\pmathbf{4}}{89.6}\) billion (21.7%) from the previous fiscal year, operating profit of \(\frac{\pmathbf{4}}{12.7}\) billion, a decrease of \(\frac{\pmathbf{4}}{5.0}\) billion (28.2%) and ordinary profit of \(\frac{\pmathbf{2}}{20.5}\) billion, an increase of \(\frac{\pmathbf{4}}{10.3}\) billion (102.4%).

#### **Specialty Chemicals**

Main Businesses	Inorganic	Chemicals,	Engineering	Plastics,	Optical	Materials,
Main Dusinesses	Electronics	s Materials, O	xygen Absorb	ers (AGEI	LESS <sup>TM</sup> )	

Inorganic chemicals, which include those for use in semiconductor manufacturing, posted an increase in earnings, reflecting growth in the sales volume of hybrid chemicals and other products for use in the manufacture of highly functional memory devices.

Engineering plastics saw increases in both net sales and earnings due to growth in sales volumes of polycarbonate and polyacetal products, especially those with high-value-added applications, in addition to improvement in manufacturing costs, and other factors.

Optical materials posted increases in both net sales and earnings on the back of a higher sales volume of optical polymers that reflected a trend toward increasingly sophisticated smartphone camera functions, growing demand for products targeting emerging nations, and other factors.

Electronics materials posted earnings on par with the previous fiscal year. Despite such positive factors as robust sales of BT materials for smartphone-related IC plastic packaging—the core product category for electronics materials—and growth in the sales volume of OPE<sup>TM</sup> substrate material for AI servers, earnings remained flat due to higher costs for strengthened quality management measures implemented for customers of BT materials and other negative factors.

Oxygen absorbers such as AGELESS<sup>TM</sup> posted increases in net sales and earnings due to improvement in export prices on the back of the depreciation of the yen, and a higher sales volume of products for overseas customers.

In fiscal 2024, Specialty Chemicals Business achieved consolidated net sales of \(\frac{\pmathbf{4}}{444.1}\) billion, an increase of \(\frac{\pmathbf{3}}{34.9}\) billion (8.5%) from the previous fiscal year and operating profit of \(\frac{\pmathbf{4}}{41.3}\) billion, an increase of \(\frac{\pmathbf{8}}{8.2}\) billion (25.0%) and ordinary profit of \(\frac{\pmathbf{4}}{43.9}\) billion, an increase of \(\frac{\pmathbf{5}}{5.2}\) billion (13.5%).

- Notes:1. Reportable segment operations previously classified as "Basic Chemicals" were renamed "Green Energy & Chemicals" in the fiscal year ended March 31, 2025.
  - 2. Net sales presented for each reportable segment in this section, previously comprised only revenues from external customers. However, from the beginning of the fiscal year ended March 31, 2025, the Company revised the method of presentation in this section to include both revenues from external customers and transactions with other segments in net sales for each such segment. Moreover, segment net sales for the previous fiscal year have been presented by retrospectively applying the above change.
  - 3. For part of the consolidated subsidiaries, the method of allocation to each reportable segment has been changed from the current consolidated fiscal year. The impact of this change on the profit and loss of each segment is negligible.

#### (3) Capital Expenditures

Capital expenditures for the current fiscal year were made largely in relation to reinforcing the production capabilities for existing products and maintaining/renovating equipment and facilities.

Major expenditures incurred are as follows:

1) Major facilities completed during the current fiscal year

Niigata Plant

 Production facility for raw material monomer of optical resin polymer (Specialty Chemicals)

MGC Pure Chemicals Taiwan, Inc.

• Production facility for industrial hydrogen peroxide (Specialty Chemicals)

#### 2) Construction initiated or continuing through the current fiscal year

Yokkaichi Plant

• Production facility for lens monomer of optical resin (Specialty Chemicals)

MGC Pure Chemicals America, Inc.

 Production facility for super-pure hydrogen peroxide and super-pure ammonium hydroxide (Specialty Chemicals)

MGC Electrotechno (Thailand) Co., Ltd.

 Production facility for BT materials for semiconductor packages (Specialty Chemicals)

MGC Specialty Chemicals Netherlands B.V.

Production facility for meta-xylenediamine (Green Energy & Chemicals)

Toho Earthtech, Inc.

• Facility for natural gas dissolved in water (Green Energy & Chemicals)

## (4) Funding

The funds for equipment and facilities as well as for working capital for the current fiscal year were provided by MGC's own resources and borrowings from financial institutions as well as issuance of straight corporate bonds and commercial paper.

# (6) Key Challenges for the Mitsubishi Gas Chemical Group

## ① Progress of key strategies at the current fiscal year

The MGC Group launched the medium-term management plan, "Grow UP 2026" current fiscal year positioned as a guideline for realizing the "Vision for MGC in 2030." The Group has established two objectives of "Strengthen the resiliency of our business portfolio" and "Promote sustainability management," and is pursuing strategies comprised of three items for each to achieve these objectives.

Promotion of strategies to increase corporate value for realizing management with an awareness of cost of capital and stock price

Under this plan, the differentiating businesses category has been renamed "Uniqueness & Presence (U&P) businesses," and redefined as businesses that excel from the perspectives of being "growing," "winning," and "sustainable" (= "business potential," "economic value," and "social value"), with the potential to grow sustainably while delivering both social and economic value.

To realize Objective 1, which is to "Strengthen the resiliency of our business portfolio," the Group tackled Strategy 1 "Focus on Uniqueness & Presence." During the current fiscal year, in anticipation of growth in the semiconductor market, the Group expanded its global supply system for chemicals for semiconductors and proceeded on schedule with its plans to expand manufacturing facilities for BT materials for IC plastic packaging in Thailand. In addition, construction of an optical resin raw material monomer plant at the Niigata Plant was completed, and large-scale investments centered on the ICT domain, which is a growth driver, were promoted. Furthermore, a project to build a new production facility for meta-xylenediamine in Europe is underway, and the Group is focusing management resources on the U&P Business.

Regarding Strategy 2 "Building new value through innovation," in addition to the Group revising the organization for new business creation and development, several of its initiatives bore fruit, with

"OXYCAPT<sup>TM</sup>"—a container for pharmaceuticals for which the Group is developing a market—winning the Innovation Award at Pharmapack 2025 and the next-generation low warping BT resin laminated board materials winning the 20th JPCA Award.

In Strategy 3 "Restructuring businesses requiring intensive management," the Group suspended production of ortho-xylene, phthalic anhydride and plasticizers, which had persistently remained unprofitable. In the polycarbonate (PC) business, the Group has improved the profitability of its Chinese base by increasing the high value-added ratio and reducing costs, and is also investigating the development of optimal production, sales, and R&D systems.

For Objective 2, which is to "Promote sustainability management," as one of its strategies for this objective, the Group is promoting initiatives for realizing carbon neutrality. Specifically, the Group will accelerate the circular carbon methanol concept leveraging our technology and initiatives to reduce GHG emissions. In addition, the Group's environment-friendly products for reducing society's environmental impact have been newly designated as "Sharebeing" products, and the Group will further expand products that contribute to the environment. The Group will continue to focus on developing and utilizing human resources as its most important management resource of the Group and enhance its human capital management.

During the current fiscal year, the Group has promoted various initiatives, including the joint development of environmentally friendly urea resin with Panasonic Corporation, the conclusion of a memorandum of understanding with JFE Steel Corporation and Mitsubishi Chemical Corporation regarding a demonstration experiment for a supply chain aimed at achieving a carbon-recycling society, and the start of production of bio-methanol from digestion gas.

#### ② Future Endeavor

Looking ahead to the global economy in the next fiscal year, the outlook remains unpredictable, as does the impact on the economies of various countries, due to additional uncertainties surrounding U.S. tariff measures, monetary policy and other developments in several countries, the prolonged economic slump in China, heightened geopolitical risks, and other factors.

In line with its medium-term management plan "Grow UP 2026," which began in fiscal 2024, the Group will continue to advance its strategies of "focusing on Uniqueness & Presence," "building new value through innovation," and "restructuring businesses requiring intensive management" with the goal of strengthening the resiliency of its business portfolio, thereby ensuring a thorough reform of its business portfolio with a strong awareness of capital efficiency.

Concretely speaking, in order to achieve Objective 1, which is to "Strengthen the resiliency of our business portfolio," the Group will continue aggressively investing in ICT, a domain that drives growth, and will prioritize the allocation of management resources to the U&P business and reap the benefits of large-scale investment projects. Furthermore, in order to create and develop new and next-generation businesses, the Group will promote the proactive investment of R&D resources, with a particular focus on the three target areas of ICT, mobility, and medical/food. In addition, the Group will continue to restructure the businesses requiring intensive management, which have profitability issues, by increasing the ratio of high value-added products in the PC-related business, cutting costs, and further promoting the rationalization of production, sales, and R&D systems, in order to improve profitability and capital efficiency.

Regarding Objective 2, which is to "Promote sustainability management," the Group will promote measures related to carbon neutrality and materiality management in accordance with its mission of "creating value to share with society." As part of its efforts aimed at achieving carbon neutrality, the Group has set a sales target of ¥500 billion in 2030 for "Sharebeing", a product that contributes to the environment, and will not only contribute to solving energy and climate change

issues but also create U&P products and technologies that are competitive in the marketplace.

## (2) General Intent of Limitation of Liability Agreement

MGC has entered into a Limitation of Liability Agreement with each Outside Corporate Officers to limit their liabilities with respect to Article 423 Paragraph 1 of the Companies Act up to the amount stipulated by the law, based on Article 427 Paragraph 1 of said Act.

#### (3) General Intent of Directors & Officers Liability Insurance

MGC has entered into a directors and officers liability insurance policy with an insurance company pursuant to Article 430-3 Paragraph 1 of the Companies Act, with the insured parties

thereto consisting of MGC's Directors, Audit & Supervisory Board Members, Executive Officers, important employees, outside dispatched officers and retired officers.

The insurance policy provides coverage for legal damages, litigation expenses and other such costs that may be incurred by an insured party if he or she becomes subject to a legal claim for damages filed by a shareholder, third-party or otherwise. However, the insurance policy does not provide coverage for damages caused by an insured party as a result of he or she having engaged in criminal acts or other such behavior.

MGC shall assume payment of the insurance policy premiums in full.

#### (4) Directors' and Audit & Supervisory Board Members' Compensation

Total	632	444	136	50	18
Outside Directors/Audit & Supervisory Board Members (Figures on the right are parts of the total amounts above.)	(78)	(78)	_	_	(7)

- Note: 1. The amount of restricted stock compensation to Directors is that of the provision for restricted stock compensation (for nine (9) Directors excluding Outside Directors) for the fiscal year under review.
  - 2. Monetary compensation paid to Directors is to amount to within ¥600 million per annum, including reserved retirement benefits for each term of office (of which, the amount shall be within ¥50 million for Outside Directors who shall not be eligible for of the reserved retirement benefits), per resolution of the 91st Ordinary General Meeting of Shareholders held on June 26, 2018. The number of Directors upon conclusion of said General Meeting of Shareholders is twelve (12) Directors (of whom, two (2) are Outside Directors).
    - Meanwhile, in a framework separate from the monetary compensation, compensation that involves granting restricted stock shall amount to within ¥100 million per annum (Outside Directors shall not be eligible for payment thereof), per resolution of the 91st Ordinary General Meeting of Shareholders held on June 26, 2018. The number of Directors (excluding Outside Directors) upon conclusion of said General Meeting of Shareholders is ten (10) Directors.
  - 3. Having taken into account Compensation and Nominating Committee discussions involving Mr. Masashi Fujii, President and Representative Director, on compensation allocations, the Board of Directors deems the President most suitable for evaluating the respective Directors while enlisting a broad-based view of the MGC overall. The Board of Directors has accordingly decided to entrust President and Representative Director with decisions on allocations of annual compensation for the respective Directors.
  - 4. Indicators pertaining to performance-based compensation enlist a combination of ordinary profit and ROIC with the aim of providing incentive with respect to corporate performance. Accordingly, ordinary profit of \(\frac{\pmathbf{4}}{4}6,040\) million and ROIC of 5.4% (calculated using the definition of compensation used until the current fiscal year, by dividing ordinary profit by invested capital) served actual results with respect to such indicators.
  - 5. Monetary compensation paid to Audit & Supervisory Board Members is to amount to within ¥10 million per month, per resolution of the 80th Ordinary General Meeting of Shareholders held on June 28, 2007. The number of Audit & Supervisory Board Members upon conclusion of said General Meeting of Shareholders was five (5) Audit & Supervisory Board Members.
  - 6. Audit & Supervisory Board Members' compensation consists only of a basic compensation and is decided among the Audit & Supervisory Board Members within the amount stipulated by the General Meeting of Shareholders.

#### (5) Policies and Methods for Deciding Compensation and Other Benefits of Directors

MGC has determined policies on making decisions regarding compensation and other benefits for individual Directors, per resolution at its meeting of the Board of Directors held on February 17, 2021.

Having taken into account discussions regarding compensation and other benefits for individual Directors pertaining to the current fiscal year, subsequent to consultation with the Compensation and Nominating Committee with a majority of Outside Directors, the Board of Directors deems that such compensation and other benefits for individual Directors conforms with the methods for deciding details of compensation and other benefits and also conforms with such policies on details regarding compensation and other benefits that have been determined.

The policy on making decisions pertaining to compensation and other benefits for individual Directors is as follows.

Compensation for the MGC's Directors, excluding Outside Directors, consists of annual compensation and restricted stock compensation.

The annual compensation consists of fixed basic compensation decided in accordance with each Director's position and duties, in conjunction with performance-based compensation based on various indicators of corporate performance. As for method payment, the eligible Directors receive annual compensation paid on a monthly basis, divided into monthly installments, a certain percentage of which is set aside each month as part of a reserved retirement benefit, which is paid to Directors upon their retirement. MGC may take action to reduce such amounts depending on a Director's performance and other grounds. The performance-based compensation is determined based on factors that include quantitative financial results and the extent to which targets have been achieved, using ordinary profit and other such indicators, with the aim of furnishing incentive with respect to corporate performance. Moreover, performance-based compensation accounts for roughly 30% of annual compensation, which mainly consists of basic compensation. This is a suitable compensation mix given distinctive characteristics of MGC's business particularly in terms of its many years of monetizing respective businesses as a result of having engaged in various initiatives such as R&D, manufacturing process development, and market development.

The restricted stock compensation involves granting a certain volume of shares to Directors in alignment with their positions and duties, in a manner whereby compensation furnished for the sake of granting treasury shares is paid to the Directors each fiscal year on a lump-sum basis. Such shares are subject to transfer restrictions so that recipients are required maintain holdings for a certain period of time. This helps encourage a sense of shared value with shareholders and furthermore provides incentive for recipients to help achieve sustainable growth with respect to MGC's corporate value.

In addition to these forms of compensation, MGC may pay an amount considered appropriate as a bonus upon resolution of a General Meeting of Shareholders.

Compensation paid to Outside Directors who maintain positions of independence from business execution is limited to fixed amounts of basic compensation.

Total amounts of annual compensation for Directors shall be determined by the Board of Directors, subsequent to consultation with the Compensation and Nominating Committee and after having reviewed comprehensive factors such as corporate performance, world standards, and employee salary trends. With respect to compensation allocations on an individual basis, the Board of Directors has taken into account Compensation and Nominating Committee discussions involving the President on compensation allocations, and accordingly deems the President most suitable for evaluating the respective Directors while enlisting a broad-based view of the MGC overall in that regard.

The policy above shall be determined by the Board of Directors, subsequent to consultation with the Compensation and Nominating Committee with a majority of Outside Directors.

# 4. Information Concerning Independent Auditor

### (1) Name of Independent Auditor

Crowe Toyo & Co.

# (2) Independent Auditors' Fees in FY2024

1) Fee for the audit performed as stipulated in Article 2 Paragraph 1 of the Certified Public Accountants Law	¥74 million
2) Aggregate amount of cash and other monetary payments made by MGC and MGC's subsidiaries	¥117 million

Notes: 1. The fee for audit pursuant to the Companies Act and that for audit pursuant to the Financial Instruments and Exchange Act are not differentiated in the Audit Agreement between MGC and Independent Auditor. As such, the amount in 1) includes the amount of the fee and other payments for the audit due pursuant to the Financial Instruments and Exchange Act.

- 2. Of MGC's main subsidiaries, the financial statements of foreign subsidiaries are audited (as stipulated in the Companies Act or Financial Instruments and Exchange Act, including equivalent foreign laws and ordinances) by certified public accountants or accounting firms (including those with equivalent foreign certifications) other than MGC's Independent Auditor.
- 3. MGC and MGC's subsidiary entrusts agreed-upon procedural operations as duties other than duties prescribed in Article 2, Paragraph 1 of the Certified Public Accountants Act, and pay consideration to Independent Auditors.

4. The Audit & Supervisory Board agreed to the amount listed above in 1) after confirming the content of the Independent Auditor's audit plan, quality management systems, the state of execution of audit, estimates of audit compensation, etc.

# (3) Policy for Dismissal and Non-reappointment of Independent Auditors

In the case that any of the items in Article 340, Paragraph 1 of the Companies Act apply to an Independent Auditor, that Independent Auditor's dismissal will be considered, and in the case that their dismissal is judged to be appropriate, the Audit & Supervisory Board will dismiss the Independent Auditor upon the consent of all Audit & Supervisory Board Members.

Also, in the case that the Audit & Supervisory Board recognizes that it has become difficult for the Independent Auditor to appropriately execute duties, or if otherwise judged necessary, the Audit & Supervisory Board will submit an agenda item regarding the dismissal or nonrenewal of the Independent Auditor to the General Meeting of Shareholders.

# 5. Policy on Appropriation of Retained Earnings, etc.

The MGC Group places the improvement of corporate value as a challenge on the management of the greatest importance. Based on the view that the improvement of corporate value will lead to the benefits of all stakeholders including shareholders, the Group takes into consideration investment and lending plans, financial health, and future business trends in order to realize future business growth, and works to achieve a balanced allotment of retained earnings and returns to shareholders. Retained earnings are allotted to be used as investment and lending funds for business expansion and growth and to strengthen the corporate structure. Regarding dividends, the decision to continue steady dividends is made taking into account trends in business results, while working to improve capital efficiency and enhance returns to shareholders through implementing flexible purchase of treasury shares in consideration of the levels of retained earnings and shareholder return.

In addition, in the medium-term management plan "Grow Up 2026" that covers the three years from fiscal 2024 (the fiscal year ending March 31, 2025) to fiscal 2026 (the fiscal year ending March 31, 2027), the Group has set the medium-term guideline for shareholder returns of total return ratio of 50% against net income attributable to parent company's shareholders, including the acquisition of treasury shares, and adopts a progressive dividend policy that aims to progressively increase dividends while avoiding dividend decreases to the extent that it does not impair the Group's financial soundness.

Based on these concepts, the year-end dividend for the current fiscal year was ¥50 per share. Since the interim dividend was ¥45 per share, the annual dividend for the current fiscal year is ¥95 per share, an increase of ¥15 per share from ¥80 per share in the previous fiscal year, which resulted in 41.5% of dividend payout ratio on a consolidated basis.

Regarding dividends for the next fiscal year, the interim dividend is planned to be ¥50 per share, while the year-end dividend is planned to be ¥50 per share.

#### Opinion

We have audited the consolidated financial statements of namely, the consolidated balance sheet, the consolidated statement of income, the consolidated statement of changes in net assets and the notes to consolidated financial statements of Mitsubishi Gas Chemical Co., Inc. (the Company) from April 1, 2024 to March 31, 2025, in accordance with paragraph 4, Article 444 of the Companies Act.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company and consolidated subsidiaries and the results of its operations for the period covered thereby in conformity with accounting principles generally accepted in Japan.

#### Basis for the Opinion

We conducted our audit in accordance with auditing standards generally accepted in Japan. Our responsibility under the auditing standards is stated in "Auditor's Responsibility for the Audit of the Consolidated Financial Statements." We are independent of the Company and its consolidated subsidiaries in accordance with the provisions related to professional ethics in Japan, and are fulfilling other ethical responsibilities as an auditor. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Other Information

Other information refers to the business report and supplementary schedules. Management is responsible for the preparation and disclosure of other information. Audit & Supervisory Board Members and the Audit & Supervisory Board are responsible for overseeing the execution of duties by Directors in the establishment and operation of the Group's reporting process for other information.

Other information is not included in the scope of our opinion on the consolidated financial statements, and we express no opinion on it.

Our responsibility with respect to the audit of the consolidated financial statements is to read through other information and, in this process, to consider whether any material differences exist between other information and the consolidated financial statements or knowledge we have gained through the auditing process; also, to remain alert for any other indications of material error in other information.

We are required to report any matter that we consider constitutes a material error in other information, based on the work we have undertaken.

We have nothing to report regarding other information.

Responsibilities of Management, Audit & Supervisory Board Members and the Audit & Supervisory Board for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in Japan, and for designing and operating such internal control as management determines is necessary to enable the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing whether it is appropriate to prepare the consolidated financial statements in accordance with the premise of a going concern, and for disclosing matters relating to going concern when it is required to do so in accordance with accounting principles generally accepted in Japan.

Audit & Supervisory Board Members and the Audit & Supervisory Board are responsible for monitoring the execution of Directors' duties related to designing and operating the financial reporting process.

#### Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our responsibility is to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to express an opinion on the consolidated financial statements from an independent standpoint in an audit report, based on our audit. Misstatements can occur as a result of fraud or error, and are deemed material if they can be reasonably expected to, either individually or

collectively, influence the decisions of users taken on the basis of the consolidated financial statements.

We make professional judgment in the audit process in accordance with auditing standards generally accepted in Japan, and perform the following while maintaining professional skepticism.

- Identify and assess the risks of material misstatement, whether due to fraud or error. Design and implement audit procedures to address the risks of material misstatement. The audit procedures shall be selected and applied as determined by the auditor. In addition, sufficient and appropriate audit evidence shall be obtained to provide a basis for the audit opinion.
- In making those risk assessments, the auditor considers internal control relevant to the entity's audit in order to design audit procedures that are appropriate in the circumstances, although the purpose of the audit of the consolidated financial statements is not to express an opinion on the effectiveness of the entity's internal control.
- Assess the appropriateness of accounting policies adopted by management and the method of their application, as well as the reasonableness of accounting estimates made by management and the adequacy of related notes.
- Determine whether it is appropriate for management to prepare the consolidated financial statements on the premise of a going concern and, based on the audit evidence obtained, determine whether there is a significant uncertainty in regard to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If there is a significant uncertainty concerning the premise of a going concern, the auditor is required to call attention to the notes to the consolidated financial statements in the audit report, or if the notes to the consolidated financial statements pertaining to the significant uncertainty are inappropriate, issue a modified opinion on the consolidated financial statements. While the conclusions of the auditor are based on the audit evidence obtained up to the date of the audit report, depending on future events or conditions, an entity may be unable to continue as a going concern.
- Besides assessing whether the presentation of and notes to the consolidated financial statements are in accordance with accounting principles generally accepted in Japan, assess the presentation, structure, and content of the consolidated financial statements including related notes, and whether the consolidated financial statements fairly present the transactions and accounting events on which they are based.
- Plan and perform the audit of the consolidated financial statements to obtain sufficient and appropriate audit evidence regarding the financial information of the Company and its consolidated subsidiaries to provide a basis for our audit opinion on the consolidated financial statements. The auditor is responsible for the direction, supervision and inspection of the audit of the consolidated financial statements, and is solely responsible for the audit opinion.

The auditor reports to Audit & Supervisory Board Members and the Audit & Supervisory Board regarding the scope and timing of implementation of the planned audit, material audit findings including material weaknesses in internal control identified in the course of the audit, and other matters required under the auditing standards.

The auditor reports to Audit & Supervisory Board Members and the Audit & Supervisory Board regarding the observance of provisions related to professional ethics in Japan as well as matters that are reasonably considered to have an impact on the auditor's independence and any measures that are taken to eliminate obstacles or any safeguards that are applied to reduce obstacles to an acceptable level.

## Conflicts of Interest

We have no interest in the Company which should be disclosed in compliance with the Certified Public Accountants Act.

## Audit & Supervisory Board's Audit Report

#### **AUDIT REPORT**

We, the Audit & Supervisory Board, deliberated and prepared this audit report as follows on the execution of duties by MGC Directors during the 98th business term from April 1, 2024 to March 31, 2025, based on the audit report prepared by each Audit & Supervisory Board Member:

- 1. Method and Description of Audit by Audit & Supervisory Board Members and Audit by Audit & Supervisory Board
  - (1) We determined the audit policy, audit duty assignments and the like, received reports from each Audit & Supervisory Board Member on individual audit status and results, received reports from the Directors and Independent Auditor on the status of the execution of their duties, and requested explanation as necessary.
  - (2) Each Audit & Supervisory Board Member conducted the audit by following method as well as we made efforts to collect information and enhance the auditing environment by communicating with the Directors, each department, Internal Audit Division, other employees, and others in accordance with the Audit & Supervisory Board Members' Audit Standards, audit policy, audit duties, and the like as determined by the Audit & Supervisory Board.
    - i) We attended the Board of Directors' Meetings and other important meetings, received reports from Directors, employees and others on the status of execution of their duties, requested explanation as necessary, examined important decision-rendering documents and other documents, and investigated the state of activities and assets at the head office and principal business offices. With respect to subsidiaries, we communicated and exchanged information with the division controlling each subsidiary in MGC, the directors and Audit & Supervisory Board Members of subsidiaries, requested business reports therefrom as necessary, and investigate the state of activities and assets.
    - ii) With respect to the contents of resolutions of the Board of Directors regarding the development of systems necessary to ensure that the execution of duties by directors complies with laws and regulations and the articles of incorporation, and other systems prescribed by Article 100, paragraph 1 and 3 of Ordinance for Enforcement of the Companies Act as systems necessary to ensure the properness of operations of group of enterprises consisting of stock company and its subsidiaries, and the systems developed based on such resolutions (internal control systems), as stated in the business report, we periodically received reports from the Directors, employees and others, requested explanations as necessary and made opinions, regarding the readiness and operational status of such systems.
    - iii) We monitored and verified that the Independent Auditor maintained its independence and performed its auditing duties adequately, as well as received reports from the Independent Auditor on the performance status of its duties and requested explanations as necessary. We received a notice from the Independent Auditors to the effect that structures for ensuring that duties are appropriately performed (matters stipulated in the items under Article 131 of the Regulations on Corporate Accounting) were being improved pursuant to Quality Management Standards for Auditing (Business Accounting Council) and requested explanations as necessary.

The business report and its supplementary schedules for this business term, the non-consolidated financial statements (non-consolidated balance sheet, non-consolidated statement of income, non-consolidated statement on changes in net assets and notes to non-consolidated financial statements), their supplementary schedules, and consolidated financial statements (consolidated balance sheet, consolidated statement of income, consolidated statement on changes in net assets and notes to the consolidated financial statements) for this business term were examined based on the foregoing method.

# 2. Results of Audit

- (1) Audit Result of Business Report, etc.
  - i) The business report and its supporting schedules are recognized as correctly presenting the state of MGC in accordance with the laws, regulations and the Articles of Incorporation.
  - ii) No dishonest acts or material violations of laws, regulations or the Articles of Incorporation were recognized in connection with the performance by Directors of their duties.
  - iii) We acknowledge that the Board of Directors' resolutions with respect to the internal control systems are appropriate. We also acknowledge that in terms of the readiness and operation of said systems, continuous improvements are being made and therefore, did not find any matter

# (Translation)

to be mentioned regarding such internal control systems.

- (2) Audit Result of Non-Consolidated Financial Statements and Their Supplementary Schedule We are of the opinion that the method and results of the audit performed by the Independent Auditor, Crowe Toyo & Co., are appropriate.
- (3) Audit Result of Consolidated Financial Statements
  We are of the opinion that the method and results of the audit performed by the Independent Auditor, Crowe Toyo & Co., are appropriate.
