

Privacy Policy

The Mitsubishi Gas Chemical Memorial Foundation, a public interest incorporated foundation, respects individual privacy and considers the proper and appropriate protection of personal information (*) to be a social responsibility. We will handle personal information in accordance with the following policy.

*Based on the definition in the Act on the Protection of Personal Information. The same applies below.

1. We will comply with the Act on the Protection of Personal Information and other applicable laws and regulations and strive to ensure the proper and appropriate collection and use of personal information.
2. When collecting personal information, we will specify the purposes of use and use the information only within the scope of such purposes.
3. To protect personal information, we will manage it appropriately to prevent unauthorized access, leakage, loss, or alteration, and will take necessary preventive and corrective measures.
4. We will periodically review our management and handling of personal information and continually make improvements.

About the Handling of Personal Information

1. Purposes of use of personal information

We will not use, without permission, the personal information you provide for any purpose other than the Foundation's activities, responding to inquiries, communicating information about our activities, conducting various surveys, and other activities necessary for the Foundation's operations. In addition, the scholarship application guidelines clearly state how personal information will be handled. If personal information is collected or used for purposes other than those listed above, such purposes will be specified in a separate document in advance.

2. Provision of personal information to third parties

We will not disclose the personal information you provide to any third party without your prior consent, except in the following cases:

- When the provision of personal information without the individual's prior consent is permitted by law or other regulations
- When providing personal information to contractors to the extent necessary to provide the contracted services

3. Service desk for inquiries regarding the handling of personal information

If you have any comments or inquiries regarding the Foundation's handling of personal information, please contact us at the following service desk. In addition, please contact the same service desk if you wish to request the disclosure, correction, or suspension of use of your personal information. We will respond promptly within a reasonable scope.
